

# POWERS CATHOLIC HIGH SCHOOL ALUMNI CAMPAIGN

OPENING FALL 2013

1505 W. Court Street, Flint MI 48503

## Q & A

### What is the goal of the Alumni P3 Campaign?

Your participation. Typical alumni campaigns have participation rates of 6-9%. We want to be a model of "many gifts making the work lighter for all." We have set a goal of 15% alumni participation. Our cash/pledge goal from alumni is \$2 million.

### Do we need to obtain this all at once?

While we will happily accept one-time gifts, our success will be much greater if you would consider a larger gift to be paid over three to five years.

### How can I get more information about the school, the plans, or naming opportunities?

There is more information at [www.powerscatholic.org](http://www.powerscatholic.org). From our home page, click on P3 Relocation Campaign. You may also contact the campaign office at 810-591-0100.

### What happens to tuition as a result of this move?

We are paying our construction costs out of restricted funds from this Capital Campaign. Our goal of providing a Powers Catholic education to as many as possible is also aided by the over \$500,000 in tuition assistance that we distribute annually.

#### Class of 1971

James & Sherry Airgood

## Why is Powers Catholic moving and what do we hope to achieve?

- Moving Powers Catholic to the historic and beautiful MSD campus in the center of Genesee County will allow us to always be easily accessed from communities all over the county and even beyond. The Flint location, located seconds off of I-69, will also allow us to continue to serve students from the city.
- Our new campus has excellent proximity to Kettering University, the UM – Flint, and Mott Community College. We are exploring dual admissions programs with each of these schools with the expectation of beginning college course offerings in the 2013-14 school year.
- The new campus will house all of the amenities we currently enjoy on Carpenter Road.
- It is the sense of both the school and diocesan leadership that

this move is an essential component of ensuring that Powers Catholic remains a vibrant force with an ability to serve this community for generations to come.

## What is Powers Catholic today?

We are a Catholic high school with a proud tradition of spirit and excellence. Our Kairos and other retreats, along with weekly all-school Mass, are just the most obvious markers of our Catholic mission. We continue to have the highest ACT scores in Genesee County. We have expanded our sports program over

the years and maintained our commitment to a vibrant fine arts program. Our students happily embrace the call to service and to leadership. We aspire to be the best and to be worthy to be called Powers Catholic.

# RISE UP, YOU MIGHTY CHARGERS!

Here's how you can help us be successful:

- Make a gift/pledge over 3-5 years
- Become a P3 captain by asking three other classmates or friends from Powers Catholic to make a gift
- Pray for the success of our school and this campaign

If you are in the area, don't hesitate to call and schedule a tour of the new school. We'd also love to see you at our "last events" on Carpenter Road.

- "The Last Party" on April 20th at 7:00 p.m.
- Last All School Mass May 29th at 10:30 a.m.

*We drink from wells we did not dig; we are warmed by fires we did not kindle. Deut. 6:11*

**We who have been blessed by our experience of Powers Catholic now have the opportunity to provide the same blessing to those who follow. May God grant us the grace of generous hearts.**
